GROPING TOWARDS GOD

"It is the experience of many of us in the early stages of drinking to feel that we have had glimpses of the Absolute and a heightened feeling of identification with the cosmos. While these glimpses and feelings doubtless have a validity, they are deformed and finally swept away in the chemical, spiritual, and emotional damage wrought by the alcohol itself." [Letter 1960] Reprinted from "As Bill Sees It" p. 323 with permission from AA World Services.
