TO TAKE RESPONSIBILITY:

"Learning how to live in the greatest peace, partnership, and brotherhood with all men and women, of whatever description, is a moving and fascinating adventure. But every AA has found that he can make little headway in this great adventure of living until he first backtracks and really makes an accurate and unsparing survey of the human wreckage he has left in his wake." The next bulletin cutoff is Wednesday, **May 29th** for group notes and anniversaries occurring from **June 2nd - June 15th, 2019.**

What is the Birthday Plan?

For about 50-years in A.A., it's a special way that some people choose to express their gratitude for sobriety. They make a special contribution to Intergroup, earmarking it for the "Birthday Plan." Some people contribute one dollar for each year of sobriety. Others contribute a flat amount. Either way, it's a great way to celebrate an anniversary. and make an individual contribution in thanks for all the A.A. Program has given you.

AND A FINAL THOUGHT:

There are no points for style in AA. It's an inside job.
