POWERLESS OVER ALCOHOL:

"In the late stages of our drinking, the will to resist had fled. Yet when we admit complete defeat and when we become entirely ready to try AA principles, our obsession leaves us and we enter a new dimension-freedom under God as we understand him." [from a 1969 Letter] Reprinted from "As Bill Sees It". p. 283 with permission from AA World Services.

What is the Birthday Plan?

For about 50-years in A.A., it's a special way that some people choose to express their gratitude for sobriety. They make a special contribution to Intergroup, earmarking it for the "Birthday Plan." Some people contribute one dollar for each year of sobriety. Others contribute a flat amount. Either way, it's a great way to celebrate an anniversary. and make an individual contribution in thanks for all the A.A. Program has given you.

ANNIVERSARIES: June 2-15th, 2019

The following anniversaries represent a total of ??? years of continuous sobriety and ongoing recovery.

02 June Drew D.	Good News Group	1 year
