FEAR AND FAITH:

"The achievement of freedom from fear is a lifetime undertaking, one that can never be wholly completed. When under heavy attack, acute illness, or in other conditions of serious insecurity, we shall all react to this emotion--well or badly, as the case may be. Only the self-deceived will claim perfect freedom from fear." [Grapevine, January 1962] *Reprinted from "As Bill Sees It". p. 263 with permission from AA World Services.*
