IS HAPPINESS THE GOAL?

"In my view, we of this world are pupils in the school of life. It is intended that we try to grow, and that we try to help our fellow travelers to grow in the kind of love that makes no demands. In short, we try to move toward the image and likeness of God as we understood him. When pain comes, we are expected to learn from it willingly, and help others to learn. When happiness comes, we accept it as a gift, and thank God for it." [Letter, 1950] Reprinted from "As Bill Sees It". p. 306 with permission from AA World Services.
