TO SURVIVE TRIALS:

"Faith without works is dead.' How appallingly true for the alcoholic! For is an alcoholic fails to perfect and enlarge his spiritual life through work and self-sacrifice for others, he cannot survive the certain trials and low spots ahead. If he does not work, he will surely drink again, and if he drinks, he will surely die. Then faith will be dead indeed." Reprinted from "As Bill Sees It", p. 188 with permission from AA World Services.
