ASPECTS OF SPIRITUALITY:

"Among AAs there is still a vast amount of mix-up respecting what is material and what is spiritual. I prefer to believe that it is all a matter of motive. If we use our worldly possessions too selfishly, then we are materialists. But if we share these possessions in helpfulness to others, then the material aids the spiritual." [Letter, 1958] Reprinted from "As Bill Sees It", p. 287 with permission from AA World Services.
