## MIRACULOUS POWER:

" Deep down in every man, woman, and child is the fundamental idea of a God. It may be obscured by calamity, by pomp, by worship of other things, but in some form or other it is there. For faith in a Power greater than ourselves, and miraculous demonstrations of that Power in human lives are facts as old as man himself." [AA page 44] Reprinted from "As Bill Sees It", p. 152 with permission from AA World Services.
