ALONE NO MORE

"We were trying to find emotional security either by dominating or by being dependent upon others. Even when our fortunes had not totally ebbed, we nevertheless found ourselves alone in the world. We still vainly tried to be secure by some unhealthy sort of domination or dependence.....In this Fellowship we begin to learn right relations with people who understand us; we don't have to be alone anymore." *Reprinted from "As Bill Sees It", p. 252 with permission from AA World Services.*
