EXPERIENCE, STRENGTH AND HOPE

A.A. for Alcoholics with Mental Health Issues

—and their
sponsors

Excerpt from the pamphlet:

"Those of us who have mental health issues can also find it hard to accept that drinking is causing us problems. It's the "other issues" that are the problem, not the alcohol, we often think. Yet, we learn in A.A. that anyone can suffer from the disease of alcoholism. We also learn that anyone who wants to stop drinking can find help and recovery in Alcoholics Anonymous."

This is A.A. General Service Conference-approved literature.
