### **GSR reports**

**DCM report** The next Area Assembly is on December 12 from 9 am-3 pm. They will be voting on agenda items that will be sent to the Conference review committee to see if they will be presented at the conference. This will be a good experience to see the process of suggesting changes in AA. The 71<sup>st</sup> General Services Conference will be held remotely in 2021. NERAASA will also be held remotely on February 26 thru 28. The registration fee is \$21. This is a good opportunity to attend since there are not travel expenses. See [neraasa.org](http://neraasa.org) for more information and to register. Grapevine and La Vina subscriptions and literature sales are down due to the pandemic. If you're thinking about Christmas gifts maybe a subscription would be a good gift idea. There are also several books available at the Intergroup office. The DCMs and Delegates of Areas 29 & 28 (Maine) will be co-hosting a "Journey through the Service Manual " workshop series beginning in January 2021. More details on this series will be available next month.

### **Traditions /Concepts study**

- **Tradition 11 - Principle of Awareness**

Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

- **Concept 11 - Principle of Respect**

The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

Close with the Responsibility Statement.
