Traditions /Concepts study

- **Tradition 12 - Principle of Anonymity**

Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

- **Concept 12 - Principle of Spirituality**

The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

Close with the Responsibility Statement.
