

Northeastern Maryland Intergroup of Alcoholics Anonymous  
Archives Committee Report to the Intergroup Council  
January 25, 2022

It has been a slow month; in part, due to catching and recovering from COVID. In any case...

Past... Nothing of note

Present...

- Developing contacts with other archivists who can help me develop best practices.
- Developing scope of collection (the list of things that we will collect in the archives).
- Developing a budget for FY 24. The top priority will be two scanners--
- Reviewing and inventorying archive holdings and preparing appropriate material for scanning.
- Preparing a draft of an intergroup policy on collecting the routinely generated intergroup business materials. My goal is to prepare an agenda item for the March Intergroup Council meeting.
- Continuing the Group Legacy Project. Currently I put an 'ad' in the bulletin (thank you, Joanne), but I will have to organize a systematic way to contact each group
- Writing a new Archives Committee description for the website.

Future...

- Present on Concepts II and III to District 11's leadership team and GSRs in North East on February 11
- Conduct a Group History Seminar for the *Steppin into Saturdays* Group at the Mann House (Bel Air) on February 12
- Present on the Grapevine Legacy at the District 11 Grapevine Workshop in Elkton, tentatively scheduled for March 26.

In love and service,

Mark F.

Archivist
