SELF-SUPPORT OF THE WORLD SERVICES OF ALCOHOLICS ANONYMOUS

The A.A. spiritual principle of self-support enables us to pursue our primary purpose of carrying the message to the still-suffering alcoholic with a shared sense of responsibility for our lifesaving work and without interference or financial dependence on outsiders. From our Fellowship's earliest days, the expenses of the General Service Office, and the world services provided by it, have exceeded the amount derived from contributions of A.A. groups and members. As a result, providing these needed services has necessarily been supported in part by income from the sale of A.A. literature. It is the policy of the General Service Board that income from literature sales should only be in amounts required to allow continued provision of vitally needed services and maintenance of a Reserve Fund. We hope that the day will come when A.A. groups and members, through their contributions, will be able to fund fully the services provided by the General Service Office. If that is achieved, revenues from literature sales will only be needed in amounts necessary to cover the actual costs associated with literature production and to maintain a Reserve Fund.

Approved by the General Service Board February 3, 2014

GSO & AAWS – OPERATING RESULTS – 2005 – 2019

Since the Reserve Fund Ratio was nearing its suggested 12 month upper limit in the early part of the decade, A.A.W.S., consistent with established policy, lowered literature prices to incur an operating loss as the way of reducing the Reserve Fund.

THE CONVENTION FUND

A separate fund established to record the direct income and expenses of international A.A. Conventions held every five years. These events are separate from the regular operations of the General Service Office, but the General Fund receives any excess of income, or pay any excess of expense, resulting from the activity. From a historical perspective, the net direct results of all Conventions held to date is approximately an excess of income of \$1,350,000, and presently resides with all other income not required in the Reserve Fund.

The General Service Board Reserve Fund

In 1954, the Board of Trustees established a Reserve Fund whose principal purpose is to provide the financial resources necessary to continue the essential services of G.S.O. and the Grapevine in the event of emergency or disaster, to fund costs beyond the means of the G.S.O. and the Grapevine, such as major leasehold improvements or technical upgrades, and to allow the General Service Board and its two operating affiliates time to formulate and implement plans needed to adjust to changed economic or other conditions.
