Traditionally, "any two or more alcoholics meeting together for purposes of sobriety may consider themselves an A.A. group, provided that, as a group they have no other affiliation". Groups listed in this directory are listed at their own request. A directory listing does not constitute or imply approval or endorsement of any groups' approach to or practice of the traditional A.A. program.

SPRING 2024

“AA Preamble”

Alcoholics Anonymous is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
